

The Inspiration Station BwD CIC follow the current agreed Covid safety Government regulations and community interest company regulations. Please review and agree to these additional Inspiration Station BwD CIC Arts & Crafts Station, Sensory Station and Soft Play Station policy notices.

The Inspiration Station BwD CIC Arts & Crafts Station, Sensory Station and Soft Play Station perform regular risk assessments and take steps to ensure the safety of rooms, equipment, staff, volunteers, visitors and the legality of its operations.

The Inspiration Station BwD CIC Arts&Crafts Station, Sensory Station and Soft Play Station cannot be held responsible for the activities of hirer groups or hirer individuals who book.

The hirers are required to make their risk assessments and take any necessary action.

Use of any activity or equipment is used at the hirer's discretion.

For specific notes about using some of the equipment – please see separate information in the Health & Safety policy.

Insurance. The Inspiration Station BwD CIC has relevant insurance. Still, hirers must ensure they have appropriate and necessary insurance to cover participants in their activities and damage to The Inspiration Station BwD CIC Arts & Crafts Station, Sensory Station and Soft Play Station caused by those activities.

Use of The Mall car park, drop off points and other surrounding care parking areas. Hirers should ensure that users of the car park do so safely. Children and adults within hirer groups should be accompanied by the hirer's own supervising adults at all times. Hirers and their groups should take further care in icy or snowy conditions.

Movement of chairs, tables, materials, and equipment. The hirer and members of their group should use appropriate lifting techniques. The hirer's responsibility is to ensure that they are trained and competent when undertaking manual handling within The Inspiration Station BwD CIC Arts & Arts & Crafts Station, Sensory Station, and Soft Play Station.

Company Registration No. 12831020

Trailing Cables. Many activities require the use of electrical equipment, resulting in trailing cables across the floor. To prevent trip hazards, hirers should utilise appropriate cable protectors and cables fixed to the flooring. Where possible, hirers should avoid the use of trailing cables entirely. Within The Inspiration Station BwD CIC Arts&Crafts Station, Sensory Station and Soft Play Station, the hirer's supervising adults must ensure that this does not become a hazard for their users, groups and individuals.

PAT Testing of electrical equipment. All equipment provided by The Inspiration Station BwD CIC Arts & Crafts Station, Sensory Station and Soft Play Station is PAT tested for electrical safety. Hirers must not bring any electrical equipment with them that has not been PAT tested and approved by The Inspiration Station BwD CIC Manager.

Only non-flammable materials (e.g., water-based paints) should be used within The Inspiration Station BwD CIC Arts & Crafts Station, Sensory Station and Soft Play Station

Pyrotechnic devices are not approved for use within The Inspiration Station BwD CIC Arts & Crafts Station, Sensory Station and Soft Play Station at any time.
